

PEPPERMINT ICE CREAM PIE

This is a super-easy Christmas recipe. Takes 10-15 minutes from start to finish. It's a family favorite at our house. You can just change the flavor of ice cream all during the year. My other favorite is pistachio.

2 cups of rice krispies

3 tbsp butter

1 12 ounce pkg of chocolate chips

Melt the butter and chocolate chips

Add the rice krispies and mix well

Put into a well-greased pie pan and press down like a crust

Fill with peppermint ice cream

Grate pieces of a chocolate candy bar on top

Freeze for 2 hours before serving
